Catalina: how do you hack into someonehow do you hack into someones email
Catalina: say aol
me: it's complicated, usually involves algorithms of common passwords
Catalina: i font know what that means dont you do thid all the time?
me: I don't, but have people who do
Catalina: how? is that all they do?
me: oh, they do all sorts of wonderful things
me: it depends on the mission
Catalina: i want to do it
Catalina: how?
Catalina: ill work for you'for free
